

# Dealerships

Our *Solutionists* are dedicated to delivering expert safety and claim solutions to manage costs and keep employees safe at work.

## What Sets Us Apart

### Safety Guidance Second to None

- When it comes to understanding auto and truck dealership workplace exposures to injury, our safety team has a reputation for being one of the best.
- All of our safety services, events, training (including OSHA) and online resources are provided at no additional cost to policyholders.
- Safety meetings remind auto techs of proper lifting and bending techniques which lessens the risk of lower back injuries.

### Personal Claims Management

- A single point of contact for claims - each dealership has a dedicated adjuster regardless of the number of locations or claim count.
- Every adjuster has an assistant that helps close claims quickly and keeps caseloads lower than industry average.

### Return to Work Team Approach

- We know the work responsibilities and business needs unique to auto and truck dealerships and their employees.
- When a service writer slips and falls or a mechanic suffers a back strain, our *Solutionist* team works proactively with the dealership to bring injured workers back swiftly and effectively.
