

# Electrical Contractors

Our *Solutionists* are dedicated to delivering expert safety and claim solutions to manage costs and keep employees safe at work.

## What Sets Us Apart

### Safety Guidance Second to None

- When it comes to understanding electrical contractor workplace exposures to injury, our safety team has a reputation for being one of the best.
- All of our safety services, events, training (including OSHA) and online resources are provided at no additional cost to policyholders.

### Here are a few specific safety recommendations from our experts:

- Enforce formal safety policies and procedures and proper PPE.
- Conduct regular safety meetings and enforce proper eye protection.
- Use PPE, inspect work area for hazards prior to starting work, maintain equipment and conduct defensive driving training classes.

### Personal Claims Management

- A single point of contact - each electrical contractor has a dedicated adjuster regardless of the number of locations or claim count.
- Assistants help close claims quickly and keeps caseloads lower than industry average.

### Return to Work Team Approach

- We know the work responsibilities and business needs unique to electrical contractors.
- When an electrician slips and falls or an installer suffers a back strain, our *Solutionist* team works proactively with the electrical contractorship to bring injured workers back swiftly and effectively.

## We Know Electricians

**Electrical contractors are consistently one of the top industry types we insure.**

Our decades of experience include servicing over 860 electrical contractors ranging from single location to multistate.

### Successful Track Record

We insure electrical contractors with total payroll ranging from more than \$20,400 to over \$8,900,000 million and employee counts less than five to nearly 167.
