

Jose Ramos
Vice President, Safety & Loss Control

Jose Ramos leads FFVA Mutual's safety and loss control team in developing forward-looking safety solutions that help policyholders manage risk, prevent employee injuries, create lasting safety cultures and improve their bottom line.

Since joining the company in 2007, Mr. Ramos has increased the size of his department more than threefold and doubled the number of on-site safety evaluations conducted every year. Through his leadership, FFVA Mutual now offers bimonthly webinars covering the latest safety topics and recently implemented iAuditor, a new reporting program used by safety consultants on ipads during on-site visits.

Mr. Ramos' safety, security and risk management career spans more than 30 years working with insurance, pharmaceutical and Fortune 500 companies. He holds a Bachelor of Science degree in Engineering from Century University of New Mexico and is a member of the American Society of Safety Engineers and American Society of Industrial Security.
