

FFVA Mutual Selects Insurity for Workers' Compensation Business

Insurance Decisions Suite chosen for flexibility, modern user experience, and speed to market

HARTFORD, CT (July 14, 2016) – [Insurity, Inc.](#), a leading provider of core insurance processing and data integration and analytics solutions, today announced that [FFVA Mutual Insurance Co. \(FFVA Mutual\)](#) has chosen Insurity's core processing suite, Insurance Decisions, which includes [Policy Decisions Evolution](#), [Billing Decisions](#) and [Claims Decisions](#), as well as Oceanwide's [Bridge Portal](#) to replace its existing legacy system. FFVA Mutual also selected Insurity's Insurance Enterprise View (IEV) to take advantage of its specific reporting and integration capabilities to provide deeper business insight.

Based in Maitland Florida, FFVA Mutual has been providing workers' compensation solutions for more than 60 years, insures a variety of businesses in all major industry groups, and writes business in 10 states. The company selected Insurity's solutions because of its flexibility, modern UI, and the increased self service capabilities among other features.

Alan Hair, Secretary/Treasurer and CFO with FFVA Mutual commented, "We selected the Insurity systems based on a number of key factors; modern user experience, the solutions' flexibility and the ability to make changes on our own, reduced cost of change, along with the ability to better control and influence time to market – all of which will improve our internal and external user satisfaction. During our selection process, the Insurity team demonstrated tremendous insurance expertise and workers' compensation knowledge. This solidified our confidence in Insurity as our vendor of choice."

"We are excited to have been selected by FFVA Mutual and are looking forward to working with the FFVA team as they modernize their systems and enhance the user experience for both internal and external users," said Lani Cathey, senior vice president, Insurity. "We have a long history of supporting carriers who write workers' compensation and a great deal of expertise in this area. We are committed to ensuring our solutions continue to meet the unique needs of this segment of the market."

Insurity's Insurance Decisions Suite is a comprehensive suite that offers pre-built interfaces and integrations. The suite includes Policy Decisions Evolution, Billing Decisions and Claims Decisions. The suite is fully integrated with Oceanwide's Bridge Portal and Insurity's leading data and analytics solution, [Insurance Enterprise View](#).
